» Wandering Hoihoi-san

July 22nd
04:59

I was just looking at the cursed Hoihoi-san website. It scared me so much I couldn't go to sleep. It has stories about Hoihoi-san following people and about cockroaches laying their eggs on it unleashing baby cockroaches all over its body. At times like these, I really hate living by myself... I decided to call my friend, Kimi-chan, and she screamed, "What time do you think it is, you idiot!" and hung up on me thinking it was some kind of prank call. I can't believe she would say such a thing to her best friend at a time like this. I'm still scared, but the sun's started to come up so I'll do my best to get some sleep...

According to the engineers, the parts for the engine would be at least 90 cm long. Because of this Mr. Furuyashiki's idea was never authorized for production. The nightmare was about to begin...

I'M SURE IF I TALKED TO THE BOSS HE WOULD SAY I CAN BUY IT WHEN MY SHIFT IS OVER.

BUT I STILL HAVE ANOTHER HOUR UNTIL THEN.... UU~

» The strength of Hoihoi-san's body

Aug 12th
03:06

I accidentally stepped on my Hoihoi-san Color (Red) and broke it. I hadn't seen it for a while so I thought it must have run out of batteries somewhere. When I found it, I wanted to check if it was really broken so I recharged it. Oh, it's moving, it's mov... Or so I thought. Oh... It just keeps turning right. That's not a good sign.

The main attraction at the next Doll-ke convention will definitely be Interceptor dolls. Both Mars and Kinryu will be selling limited edition products there, so I really have to go. The only problem is deciding what I should make to sell there. That's what I was thinking about while getting a 1,000 yen haircut.

Time for last minute Sundome!

Nov 17th
04:44

By using Combat-san's wireless LAN, I was able to make a 4-member platoon. It's good to see them hunting, not wasting any time. As an experiment, I attached "Sundome-kun" to all the Combat-sans and put Hoihoi-san in the middle of them. Just as I expected all 4 Combat-sans began twitching uncontrollably :)

Internet

BY THE WAY, WHAT WAS IT? DOLL-KE? I CAN HELP YOU WITH THAT IF YOU WANT.

I'VE BEEN WANTING TO GO TO TOKYO AGAIN, ANYWAY.

Call me before you come next time, o.k.?

WHY DON'T YOU TRY MAKING ONE TOO?

Is Pasta OK?

Yeah

YEAH. MAYBE I WILL.

REALLY? THANKS, KIMI-CHAN!

I'LL PAY FOR YOUR TRANSPORTATION AND LUNCH.

WELL IF YOU DON'T SELL THAT MANY, WE WON'T EVEN MAKE BACK THE MONEY FOR YOUR TRANSPORTATION AND LUNCH.

HMM—

FIFTY? THAT'S IMPOSSIBLE!

SO, AT LEAST.

HOW MANY SHOULD I MAKE? FIVE?

The Manual of "Hoihoi bunny

However,
there was
someone
envious
of their
relationship.
Combat
fox.

Hoihoi
bunny
killed all the
cockroaches
in the house.
In return
Kimi
recharged
Hoihoi
bunny

A long
time ago
an old
woman
named
Kimi-san
and Hoihoi
bunny lived
together.

Muttering
to itself
Combat-san
dashed into
Kimi's house
and fired
mercilessly at
Hoihoi bunny.

Combat fox's
weapon was
the latest
armor piercing
round firing
railgun and it
easily shot
through the
iron pot
and the
old woman,
Kimi-san!!

Kimi-san
instinctively
held out an
iron pot to
protect
Hoihoi
bunny.

The Manual of "Bunny of Madness"

They
were only
programmed
for the
extermination
of bugs.

But then...

The news that Kimi-san had been
shot to death became public
knowledge and all Hoihoi bunnies
mourned her loss.

But Hoihoi bunnies could
not take revenge against
Combat fox even though
they wanted to.

Mars
Pharmaceuticals
descended from
the sky and gave
power to the
Hoihoi bunnies

A new patch was
released that
would let the
Hoihoi bunnies
attack
Combat fox.

Hoihoi bunny took
revenge for the old
woman, Kimi-san,
with the aid of Mars
Pharmaceuticals'
power patch.

» Doll-ke Battle Report

Jan 2nd
02:21

This year's Doll-ke was a big success! We sold out! It was the right decision to take Kimi-chan with me. I should take Kimi-chan with me again next time. By the way, it was a huge surprise that Kimi-chan and that nerd knew each other. What a shock. I still can't believe he had the nerve to say he wanted to go with us to the party after the event. What the heck was he thinking? When he realized we were going to a nice restaurant, he got intimidated and went home. What a loser!

Oh, Happy New Year.

WHAT'S
WRONG
KIMI-

In response to the phenomena of Hoihoi-san shutting off by itself when equipped with the Hoihoi hammer, Mars Pharmaceuticals distributed a software patch and included a "Sorry Motion" which Hoihoi-san uses to apologize.

They come out too often.
I heard that that nerd with an eggplant for a face is collecting them too. Too bad for him. It's a bit of a secret, but I've been going around and buying out all the ones with Hoihoi-sans. You can't find one unless you go to the next city. Cockroaches are the only thing you can find around here.

Sleeping Bags Are Nice

Mar 7th
19:58

Kimi-chan came over, but when she saw the size of my room she left right away. You can't blame her. You run into my bed as soon as you open the door. There are a lot of new Hoihoi-san products coming out lately. Compared with a year ago, my living space has shrunk quite a bit. Inversely, the number of cockroaches has been increasing.

People were fascinated by the brand new customization system called "Mixed Frame" by which you could freely mix-and-match any body part to make your very own Pest-X-san.

The third Interceptor Doll, "Pest-X-san" from Xentex became the top selling product, despite being an import.

MR.

But...

For Mars Pharmaceuticals, which had gone the wrong direction with their Hoihoi-san development, sales continued to fall. With the release of Pest-X-san, the end was near.

HOIHOI-SAN IN DENGEKI DAIO EDITORIAL DEPARTMENT

1056 There are no cockroaches here.
Why did you buy Hoihoi-san?

Hanukichi Yeah, but it's kinda cute to
see Hoihoi-san walking around in the
office.

1056 Oh, is it like having a dog
or a cat?

Hanukichi Yeah, exactly.

1056 What's with the receipt..?
Oh no, don't tell me...

Hanukichi It's not my Hoihoi-san. It's
the editorial department's Hoihoi-san.

1056 No way...

Yasu Hanukichi-san. The meeting
is starting.

Hanukichi Oh, OK. Be good
Hoihoi-san.

—Hanukichi left without turning
Hoihoi-san off. An undulating black
shadow soon appeared from behind it.
Guerilla-style exterminator Hoihoi-san
found the pests and as was to be
expected, started following the shadow.

1056 Hanukichi-san, I saw Hoihoi-san
suddenly began to
move and left somewhere.

Hanukichi What?! Are you serious?!

Oh no!
—Hanukichi came back from the
meeting and heard the shocking
news that Hoihoi-san was missing.
Hanukichi started canvassing
the area.

◆◆ As you already know, Hoihoi-san's
listed price is 29,800 yen (31,290 yen
including tax). If you buy it as a toy,
you can't claim it as a necessity and
get reimbursed by your company.
Hanukichi must have been coming up
with all kinds of plans in order to trick
his company's accounting department
into giving him the expense voucher.

◆ Hoihoi-san is not only cute but seeks
out and destroys pests without hesitation.

◆ Hoihoi-san's custom parts
are completely compatible
with its recommended sister
product, IDX-9 "Pest-X-san".

—A piercing scream from the direction of a vending machine on the floor.
Zombie Mask Why is Hoihoi-san here? And at the same time as a cockroach too.
